

← AVOID INFECTION →
STAY 6 FEET APART

Here's what that looks like

— **A BED** —

from head to foot

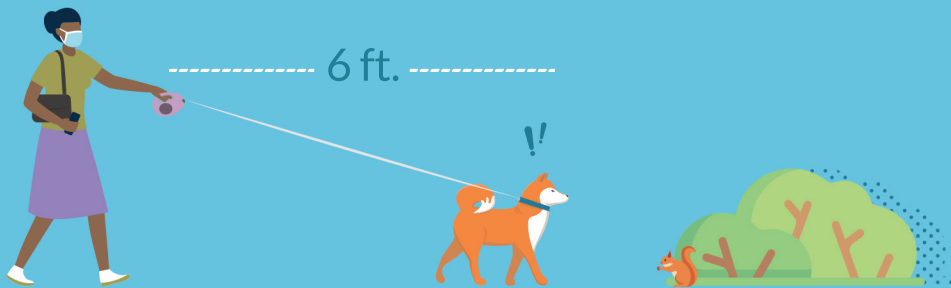

— **2 SHOPPING CARTS** —

good rule-of-thumb while pandemic shopping

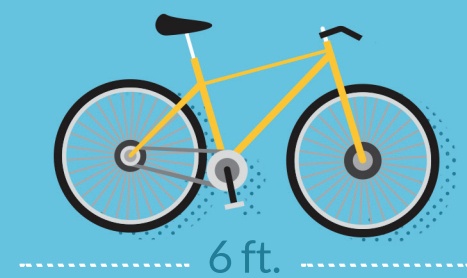

— **A DOG LEASH** —

pulled tight — like your pup just saw a squirrel

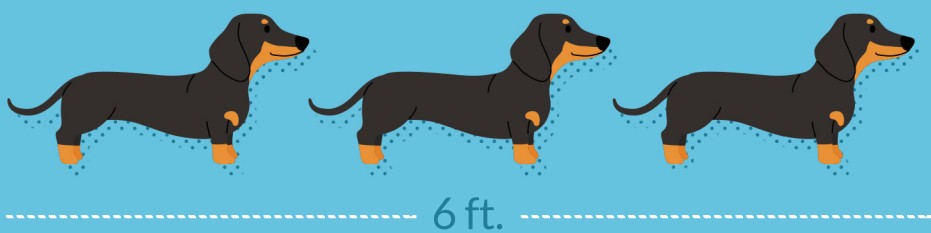

— **A LITTLE MORE THAN A BIKE** —

front wheel to back wheel

— **ABOUT 3 DACHSHUNDS** —

in line from tip to tail — if you could get them to stay

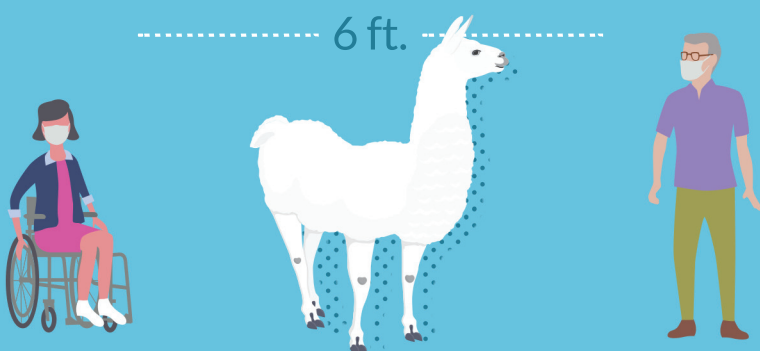

— **A SOFA** —

one you can stretch out on

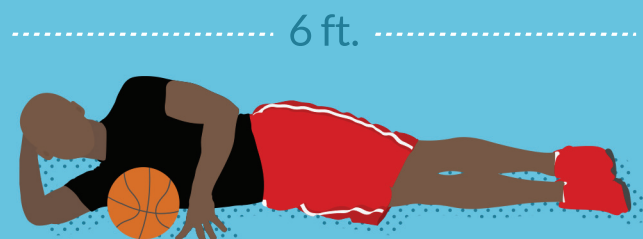

— **A LLAMA** —

keep a llama between you and others at all times

— **A LITTLE LESS THAN MICHAEL JORDAN** —

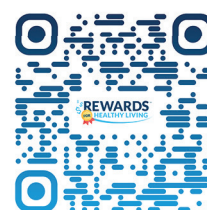

stretched out for a nap
